As Secretary of State, I urge each Election Board official to study this manual thoroughly. The Election Board officials' individual flip charts reflect the guidelines in this manual.

If you have any unanswered questions, please contact your County Clerk.

Sincerely,

II – TERMINOLOGY

- 1. Election Record and Poll Book (i.e. Poll Book):** The Election Record and Poll Book means the book containing a listing of registered electors who are qualified to appear and vote at the designated polling places. An additional copy of the Election Record and Poll Book may be maintained to record that the elector has voted. (Sec. 34-111, Idaho Code)
- 2. Ballot Assembly:** As delivered to the polling place, the ballot assembly consists of the following: a gray plastic frame, a yellow mask and the ballot labels which are affixed to the ballot assembly much like the pages in a book. These ballot labels are the official ballot for any given election.
- 3. Ballot Card:**
 - a. The ballot card is a prescored data processing card with a single stub attached to the top. The ballot cards will be buff in color.
 - b. The ballot card, when punched, records the elector's choice of candidates and/or YES/NO response positions.
 - c. You will note that the ballot cards and the ballot labels are of different colors.
- 4. Ballot Envelope (i.e. secrecy sleeve):**
 - a. The ballot envelope serves two purposes: (1) secrecy of the ballot card; and (2) it is the "write-in" ballot. In order to correctly use this write-in ballot, an elector must write both the title of the office, political party (in a primary election), and the name of the candidate for which he wishes to vote.
 - b. Ballot envelopes are gray in color.
- 5. Ballot Labels:** The ballot labels are the pages within the voting booth which contains the names of all candidates and ballot measures.
 - a. In a Primary Election, the ballot labels will be of three colors and will designate the following: green, Republican Party; blue, Democratic Party, and white, nonpartisan.
 - b. In a General Election, the ballot labels will be white.
 - c. In all other elections, the ballot labels may be white or colored depending upon the number and combination of elections being held on the same day.
- 6. Demonstration Ballot Card:** These cards are yellow in color and are clearly marked as demonstration ballots. They are to be used for demonstration purposes only and are not to be voted by the electors. Should any of these yellow ballot cards find their way into the ballot box, they will not be tallied at the counting center.

- 7. Demonstration Ballot Label:** The demonstration ballot label as placed in an assembly will have the same colored pages to resemble the official ballot labels. It has no relationship to any Idaho election and is used for demonstration purposes only.
- 8. Transport Carrier:** Any carton, box or other container furnished by the County Clerk, which has the capacity for containing the voted ballot cards and ballot envelopes. This container must be able to be sealed or locked.
- 9. Voting Device:** The entire unit is officially identified as the “voting device.” The device is made up of several parts such as a light, an extension cord, the stylus and the ballot assembly.
- 10. Ballot Marking Device (i.e. AutoMark):**
- a. This device is designed to assist voters who have difficulty seeing or marking a ballot to vote privately and independently.
 - b. The device marks an oval ballot after the voter has made his or her selections on a touch screen or Braille keypad, or with a personal sip and puff device.
 - c. An audio ballot is also available for use with this unit.
 - d. **IMPORTANT:** This device only marks a ballot and no votes are stored in the machine.
- 11. Oval Ballot:**
- a. The oval ballot is an optical reader ballot with a single perforated stub attached to the bottom. Oval ballots are stapled in pads of 25 or 50 ballots.
 - b. The oval ballot is removed from the stub prior to issuing and handing it to an elector.
 - c. The oval ballot is voted by completely filling in the oval opposite the elector’s choice of candidates and/or YES/NO response positions. The mark must be made using the marking device provided by the Election Board.
- 12. Secrecy Sleeve:** The device used to shield the elector’s marked ballot(s) while going from the voting booth to the ballot box(es). This is either a plastic sleeve in which the ballot is inserted in the bottom or a manila file folder. The secrecy sleeve is to be used in conjunction with the AutoMark (i.e. Ballot Marking Device). Each voter, after marking the ballot(s), should place the ballot(s) in the secrecy sleeve and return to the Receiving Clerk stationed at the ballot box(es).

IV – FREQUENTLY ASKED QUESTIONS

1. What if an elector's name does not appear on the Poll Book?

First, determine if the elector is in the proper precinct-polling place. When their polling place has been established to be yours, every effort must be made through the County Clerk to substantiate registration credentials.

If a clerical error is found and resulted in an omission in the Poll Book, the qualified elector thus affected shall be allowed to vote. Manually record the elector's name and address in the Poll Book with the notation "clerical error – left off." Then continue with the normal issuing procedures. See Poll Book Sheet on page 13, Line 293, columns A & C.

If the elector is found not to be registered, the elector may register at the polls on Election Day. They should be directed to the registration table and Election Day Registration procedures should be followed. When the elector returns with a registration card stamped "residence verified," the Poll Book Clerk shall enter the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continue with the normal issuing procedures. (34-408A, I.C.) See Poll Book Sheet on page 13, Line 294, columns A & C.

2. What if an elector's address does not appear in the Poll Book but shows "Protected" instead?

An individual whose address is missing in the Poll Book and has "Protected" under his or her name has been designated as an individual whose residence address is confidential. **Do not enter any address in the Poll Book for this voter.** This voter must show ID or sign the Personal Identification Affidavit and sign the Poll Book prior to receiving a ballot. If there is any question regarding this individual's registration, contact the County Clerk's Election Office immediately.

Individuals with this notation have been accepted into either the Address Confidentiality Program for Victims of Violence in accordance with Title 19, Chapter 57, Idaho Code, the Address Confidentiality Program for Law Enforcement Officers in accordance with Title 19, Chapter 58, Idaho Code or who have shown good reason to the County Clerk and County Prosecuting Attorney to require his or her residence address to be deemed Confidential in accordance with 9-340C, Idaho Code.

3. What if an elector's ADDRESS is different than what appears in the Poll Book?

No person shall knowingly sign his name in the Poll Book if his residence address is not within that precinct at the time of signing.

If a clerical error is found and resulted in the incorrect listing of the voter's residence

address in the Poll Book, the qualified elector thus affected shall be allowed to vote. Manually correct the elector's address in the Poll Book with the notation "corrected address." Then continue with the normal issuing procedures. (34-1106, I.C.) See Poll Book Sheet on page 13, Line 290, columns A & C.

If the residence address is incorrect because the individual has moved, determine if the elector is in the proper precinct-polling place. If it is determined that the voter is in the incorrect polling place, direct them to the correct polling place. If it is determined that their polling place is yours and they are qualified to vote, the elector may provide proof of residence accompanied with a picture I.D. card and register at the polls on Election Day. They should be directed to the registration table. When the elector returns with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continue with the normal issuing procedures. (34-408A, I.C.) See Poll Book Sheet on page 13, Line 294, columns A & C.

4. What if an elector's NAME is different than what appears in the Poll Book?

An individual whose name is different than what appears in the Poll Book, because it has been changed by either marriage or by court order and in all other respects are qualified to vote, may provide proof of residence accompanied with a picture I.D. card and register at the polls on Election Day. They should be directed to the registration table. (34-408A, I.C.) When the elector returns with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continue with the normal issuing procedures. (34-408A, I.C.) See Poll Book Sheet on page 13, Line 294, columns A & C. The Poll Book Clerk should also make the notation "Name change see page # – Election Day Registration" next to the voter's original registration entry. See Poll Book Sheet on page 13, Line 284, columns A & C.

5. What if an elector has moved within the county and has failed to re-register?

With proof of residence accompanied with a picture I.D., the elector may register at the polls on Election Day. They should be directed to the registration table. When the elector returns with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continue with the normal issuing procedures. (34-408A, I.C.) See Poll Book Sheet on page 13, Line 294, columns A & C.

6. What if an elector has moved into the county and did not register prior to the registration cutoff?

With proof of residence accompanied with a picture I.D., the elector may register at the polls on Election Day. They should be directed to the registration table. When the elector returns with a registration card stamped “residence verified,” the Poll Book Clerk enters the elector’s name and address along with the notation “election day registration” in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continue with the normal issuing procedures. (34-408A, I.C.) See Poll Book Sheet on page 13, Line 294, columns A & C.

7. What if an individual does not have one of the acceptable forms of identification?

An elector must either show ID or sign the Personal Identification Affidavit prior to voting. If an individual does not have one of the acceptable forms of identification as listed on page 15, the individual must complete and sign the Personal Identification Affidavit prior to being issued a ballot. No elector is to be turned away or not allowed to vote for not having one of the acceptable forms of identification as long as the elector signs the Personal Identification Affidavit. Every elector that appears to vote should be allowed to vote unless they do not meet the legal qualifications. If the voter signs the Personal Identification Affidavit in lieu of showing an acceptable photo identification, the Poll Book Clerk will make the notation “Affidavit” in the remarks column to the right of the voter’s signature. (34-1113, I.C.) See Poll Book Sheet on page 13, Line 287, column C.

8. Who can challenge an entry in the Election Record and Poll Book?

Besides the Election Board and the persons authorized by the County Clerk to serve as challengers, any registered elector may challenge the entry of an elector’s name as it appears in the Poll Book. Such a challenge will be noted in the remarks column following the elector’s name stating the reason, such as “died,” “moved,” or “incorrect address.” The individual (designated challenger, voter or Election Clerk) making the challenge shall sign his name following the entry. (34-431, I.C.) See Poll Book Sheet on page 13, Line 283, column C.

9. When is the Oath of Challenged Person (EP-7/EG-7) tendered?

If an elector’s name as it appears in the Poll Book has been challenged with a challenged notation and the elector appears to vote, one of the Clerks must declare the qualifications of an elector to such person. If the person declares himself duly qualified and the challenge is not withdrawn, the Clerk shall tender him the Oath of Challenged Person. **No challenged elector shall have the right to vote until he has subscribed to the Oath of Challenge Person.** (34-1111, I.C.) *See page 5 for “qualified elector” definition.*

10. Does the challenged elector need to sign the Poll Book after having subscribed to the Oath of a Challenged Person?

Yes, the individual must sign the Poll Book after their name. The Poll Book Clerk enters the word “sworn” following such elector’s name and signature in the remarks column of the Poll Book. (34-1106(2), I.C.) See Poll Book Sheet on page 13, Line 283, column C.

11. What are the roles of the designated poll watchers and challengers?

Watchers and challengers are people authorized by the County Clerk to be present at the polls on Election Day. These authorized individuals shall wear a visible name tag which includes their respective title.

Individuals authorized to serve as watchers may watch the receiving of the votes and the counting of votes. While watching the counting of the votes, they are not allowed to absent themselves except for brief breaks until the polls are closed so that results are not released prior to the close of the polls throughout the state. Individuals authorized to serve as challengers may challenge voters’ registration as they offer to vote. (34-304, I.C.)

Watchers and challengers are not to interfere with the voters or the voting process. If you feel that a watcher or challenger is interfering with the duties of the Election Board or the voting process, contact your County Clerk’s Election Office or courteously point out what their role as a watcher or challenger is.

12. What if an elector makes a mistake when he is voting and requests a new ballot?

The elector returns the spoiled ballot to the Issuing Clerk. No person shall take or remove any ballot from the polling place.

The returned ballot shall be marked on the back “spoiled ballot – another issued” and deposited in the Spoiled Ballot Envelope or Container. Issue the elector another ballot and record the new sequence number in the proper column after his name. Make the notation in the remarks column “spoiled ballot – another issued.” Where there is more than one ballot page, all pages are treated in the same manner and all ballot pages are spoiled and re-issued. Instruct the elector to finish the voting process in the usual manner. (34-1109, I.C.) See Poll Book Sheet on page 13, Line 291, column C & sequence # column.

13. What if an elector, because of physical disability, cannot enter the polling place?

Such elector may be issued a ballot outside the polling place by one of the Election Clerks. The individual will have someone inform the Election Clerks that they are there to vote curbside. The Election Clerk will take the voter the Poll Book or Poll Book page with the individuals name on it along with the appropriate ballot(s). The individual will sign the Poll Book and show proper ID. Then in the presence of the

Election Clerk but in a secret manner, mark and return the ballot to the Election Clerk. The Election Clerk will then return the voted ballot to the Receiving Clerk where it will be recorded as being voted and deposited into the voted ballot box. Whenever an elector receives assistance in this manner, a Clerk shall make a notation of “assistance” in the Poll Book following the name of the elector. See Poll Book Sheet on page 13, Line 282, column C.

14. What if an elector is unable to record his vote personally?

Any elector who, because of blindness, physical disability or other disability is unable to mark his ballot may vote independently by using the AutoMark or may receive assistance from one of the Election Board Clerks or by an individual of their choosing.

If the elector chooses to vote independently by using the AutoMark, the AutoMark should be demonstrated. This unit marks an oval ballot after the voter has made his selections on the touchscreen, Braille keypad, or with a puff and sip device. The AutoMark also has an audio ballot available for use by those who are visually impaired.

If the elector chooses to receive assistance from an Election Clerk or an individual of their choosing, such person shall ascertain the wishes of the elector and mark the ballot accordingly. Then the person giving assistance shall thereafter give no information regarding such marking. Whenever an elector receives assistance in this manner, the Poll Book Clerk shall make the notation of “assistance” in the Poll Book following the name of the elector. (34-1108(2), I.C.) See Poll Book Sheet on page 13, Line 291, column C.

The choice of voting with or without assistance shall be left to the voter.

15. What if there is a vacancy on the Election Board?

(1) In the absence of a Chief Judge, the County Clerk will designate a new Chief Judge.

(2) In the absence of a judge or Clerk, the Chief Judge should designate a qualified replacement. If Election Clerks were assigned based on their political party, the replacement should be of the same political party.

Any person thus designated to fill a vacancy must take and subscribe to the Oaths of Office for Members of the Election Board on the front cover of the Poll Book.

16. What if the Official Election Stamp is lost?

The ballot Issuing Clerk shall initial each ballot and write “stamped” upon the ballot in the appropriate place. (34-901, I.C.)

17. Can political signs be posted on or around the polling place?

No person shall do any electioneering or circulate petitions on Election Day within any polling place, or any building in which an election is being held, or within one hundred (100) feet thereof. For specific prohibited activities, refer to the Election Laws book under Title 18, Chapter 23. (18-2318, I.C.)

18. What do we do if there is a disturbance within the voting area?

The Election Clerks may appoint some capable person to act as an Election Constable. He shall allow no one within the voting area, except those who go to vote and shall allow but one (1) elector in a compartment at one (1) time unless the voter has requested assistance. The Constable is to see that the election is conducted in an orderly manner. Notify the County Clerk's Election Office of any disturbances within the polling place. (34-1105, I.C.)

19. What if an individual asks if another elector has voted?

No judge or Clerk shall communicate to anyone, including spouses, watchers and challengers, any information as to the name or number on the Poll Book of any elector who has not applied for a ballot, or who has not voted at the polling place. (34-1110, I.C.)

20. Once the ballot is in the ballot box, can it be removed?

No, once a ballot is placed in the ballot box, it is considered voted and cannot be retrieved. The ballot box shall only be opened at the end of the Election Day.

21. What if an elector becomes angry when seeing a number on his ballot?

Take the time to show the elector (with a demonstration ballot) that once the stub has been detached there is no number on the voted ballot. Explain that the number is merely to help the Election Board maintain a record of the number of ballots issued and that a ballot cannot be tracked back to an individual voter.

22. What if the voting device becomes defective in recording votes or the ballot pages are defaced?

The voting booth in which the defective voting device is contained should be closed immediately and the County Clerk should be notified. (34-2421, I.C.)

23. What if an AutoMark becomes defective?

If a unit does not operate properly at the polls, Election Clerks are to follow the troubleshooting checklist provided by the vendor and document the troubleshooting procedure. Documentation is essential to correctly identify and explain problems. Call the County Clerk's Election Office if the unit does not operate properly after following the checklist and documentation of issues. The unit should be turned off but left in place until a county worker or vendor representative, wearing identification as an Election Clerk, can repair or replace the unit.

V – CONDUCT OF ELECTION AND PROCEDURAL CHECK LIST

Precinct

The Day Before Election Day

1. The election supplies will either be delivered to the polling place by the County Clerk or a designee or will have been picked up by the Chief Judge of the precinct on or before the opening of the polls for the election. The official ballots, the official stamp and ink pad will be delivered in sealed packages. (34-910, I.C.)
2. Immediately upon receipt of the ballots and supplies, the Chief Judge and County Clerk or designee will sign the Receipt for Supplies (E-8) for such supplies. The Chief Judge and County Clerk or designee will each keep a copy of the signed receipt. (34-910, I.C.)

On Election Day Before the Polls Open

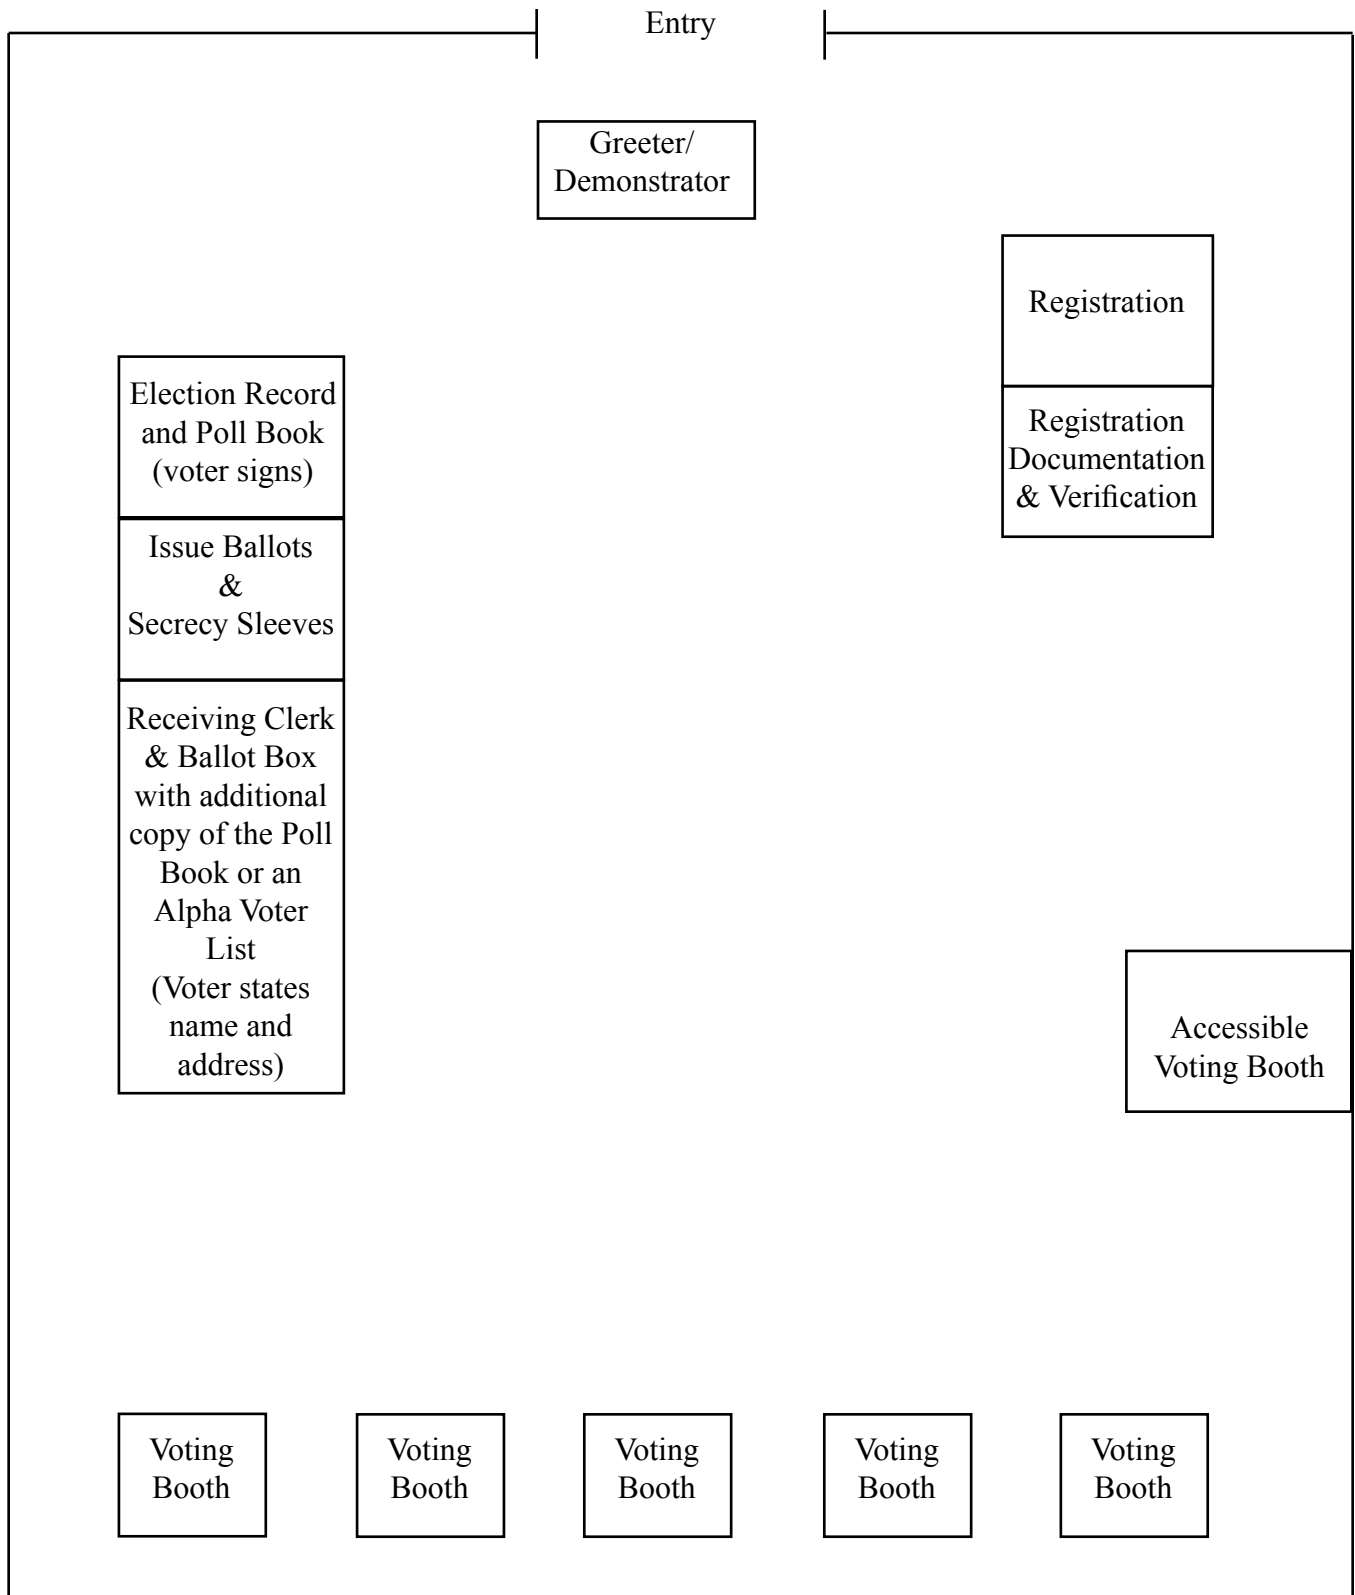

1. For an 8:00 a.m. opening, report to the polling place no later than 7:30 a.m., unless specified otherwise by the County Clerk.
2. Post the VOTE HERE SIGN (E-5) in a visible location such as a window or on the exterior of the polling place building. Use a marker to enter the county, precinct and time on the sign for your polling place.
3.
 - a. In the presence of bystanders, the Chief Judge and Clerks of Election will break the sealed packages containing the Official Ballots, the Official Election Stamp and ink pad. The other election supplies may be opened and prepared prior to voters arriving at the polls. (34-1103, I.C.)
 - b. Carefully check the election supplies. Please see pages 43-44 of this manual for a list of precinct supplies. Contact the County Clerk's Election Office immediately if a shortage exists or if there is a question regarding the contents.
 - c. Check the official ballot cards to ensure that the number prefix reflects your precinct number. Check the Official Oval Ballots to ensure that the precinct name or number appears on the ballot stub and ballot of each pad of ballots. Also be sure that the ballot numbers are sequential from one ballot pad to another. If there is an error in the ballot numbering or precinct name or number, immediately contact the County Clerk's Election Office. **IMPORTANT:** Be sure to use ballots in numerical order.
 - d. Record the number of Ballot Cards (i.e. Punch Cards) received on Line 2a in the first column on the Ballot Accounting page (E-2B) just after the outside cover of the Poll Book (E-2A). See Ballot Accounting page on page 38.
 - e. Record the number of Oval Ballots received on Line 2a in the second column on the Ballot Accounting page (E-2B) just after the outside cover of the Poll Book (E-2A).

See Ballot Accounting page on page 38.

- f. Arrange the polling place with the ballot box(es), booths and AutoMark in view of the Election Clerks present.
 - 1) Set up the AutoMark in a location within the polling place where a wheelchair has clear access to the booth but the screen is shielded from view by other voters. Also, be sure to have a chair on hand for use by electors needing one while using the device.
 - 2) See the suggested arrangement of the polling place on page 16.
- g. Place voting devices on the legs provided in the cases and be sure that each booth has light. Also, check that the electrical cords are not a hazard to voters.
- h. Check the ballot pages in each voting device against the information supplied by the County Clerk. They must list the candidates and issues in the same order and ballot position number.
- i. Insert a yellow demonstration ballot card in each voting device and punch all possible voting positions. Check that all the correct numbers have been punched in the ballot card.
 - 1) If there is any discrepancy in the punched numbers, contact the County Clerk's Election Office immediately.
- j. Post Sample Ballots, Mail-in Registrants (E-10), Voter's Rights (EP-11) placards in the polling place and Card of Instruction (E-3PC) placards in the voting booths.
- k. Post the Election Day Registration (EDR-4) placards on or close to the registration table.
- l. Assignment of Duties – It is suggested that specific duties be assigned within the following framework:
 - 1) One (1) Clerk to greet and demonstrate both the voting of a punch card ballot and the use of the AutoMark.
 - 2) One (1) Clerk to be in charge of the Poll Book (E-2A & E-2B). Where the Poll Book is divided into alphabetical divisions, a Clerk should be assigned to each division. This means that you may have more than one worker assigned to this duty.
 - 3) One (1) Clerk in charge of stamping and issuing ballots.
 - 4) One (1) Clerk in charge of either the additional copy of the Poll Book or a List of Registered Voters to be stationed at the ballot box(es).
 - 5) One (1) Clerk in charge of Election Day Registration.

NOTE: The above duties may be combined to correspond with available personnel.

Suggested Arrangement of Polling Place

m. Before entering upon the discharge of their duties, all of the Clerks of Election must take and subscribe to an oath on the cover of the Poll Book (E-2A). (34-111(4), I.C.)

1) Completing the Poll Book (E-2A) cover before the polls open:

- a) If not already completed, enter the Election Name, Election Date, County Name, Legislative District Number and Precinct Name or Number at the top of the Poll Book (E-2A). If the Poll Book is divided into sections, enter the alpha sections in the Index Box on each book. (Example: A-J)
- b) Each Election Clerk must read the Oath under the Oaths of Office for Members of Election Board and sign beneath #1 on the cover of the Poll Book (E-2A).
- c) The Chief Judge will complete the date and sign beneath the Election Clerks on the cover of the Poll Book (E-2A).
- d) If the Chief Judge is not present, another individual may be designated to give the rest of the Election Board the Oath of Office by first completing the oath beneath the "If No Person Authorized to Administer Oaths is Present" on the cover of the Poll Book (E-2A) prior to administering the oaths of office for the other election personnel.

Opening the Polls

1. At 8:00 a.m. the polls open. The Chief Judge shall make a public proclamation of the same. (34-1101, I.C.)

Voting is from 8:00 A.M. to 8:00 P.M.

3. The operation of voting shall be secret. The elector must retire to either a vacant punch card voting device or a AutoMark.

a. If using a punch card voting device, the voter will mark his ballot according to the instructions which appear on the Card of Instruction (E-3PC).

Throughout the Day

1. Instructions and a demonstration on how to record their votes should be given for the Punch Card Ballot to all electors prior to voting and the AutoMark to those who wish to use it prior to voting.

2. Voting booths must be inspected as frequently as feasible to make certain that no sample ballot, literature, flyers, stickers, etc. are left in them after an elector casts his or her ballot. Any material must be removed from the voting booth.

3. During this inspection, the face of the punch card voting device and the ballot labels should be examined to insure that the device and ballot labels have not been damaged

or tampered with (34-2420, I.C.) If tampering or defacing is evident, close the voting booth and immediately call the County Clerk's Election Office.

Assistance to the Voter

IMPORTANT: Whether an elector chooses to vote the Punch Card Ballot or use one of the following options for assistance when voting, the decision is left to the elector. Although the AutoMark is available in every polling place, an elector may still request assistance or utilize curb-side voting.

1. All electors have the following options for assistance when voting.
 - a. AutoMark:
 - 1) This device marks an Oval Ballot with the selections made by electors who have difficulty seeing or marking a ballot.
 - 2) No votes are stored in the machine. The AutoMark only marks a ballot. Ballots are counted by the Election Clerks.
 - 3) For instructions, see the AutoMark Procedural Manual.
 - b. Assistance with voting by a person of their choice:
 - 1) Any elector who, because of blindness, physical disability or other disability, is unable to mark his or her ballot may request assistance from an individual of their choice in marking their ballot(s).
 - a) An elector may request assistance from one of the Election Clerks or any other person of their choice.
 - b) The selected individual will ascertain the wishes of the elector for each office or ballot measure/question and will mark the ballot(s) accordingly.
 - c) The selected individual is not allowed to give any information regarding the marking of the ballot(s).
 - d) Upon receiving assistance in this manner, the Poll Book Clerk will make the notation of "assistance" in the Remarks Column of the Poll Book following the name of the elector. See the sample Poll Book Page on page 13, Line 291, Column C.
 - c. Curbside Voting:
 - 1) Any elector who, because of physical disability or other disability, is unable to enter the polling place, may request assistance at their vehicle.
 - a) An elector may have someone notify the Election Clerks in the polling place that they are in the parking lot and need a ballot brought to them.
 - b) The Election Clerk will take the Poll Book or appropriate Poll Book page, the portable punch card machine, ballot(s), and gray secrecy envelope to the elector in their vehicle in the polling place parking lot.

- c) The elector signs the Poll Book next to his or her name, votes the ballot(s) in a private manner, places the voted ballot(s) in the gray secrecy envelope and returns them to the Election Clerk.
- d) The Election Clerk returns the Poll Book or Poll Book page to the Poll Book Clerk. The Poll Book Clerk makes the notation of “assistance” in the Remarks Column of the Poll Book following the name of the elector. (See the sample Poll Book page on page 13, Line 282, Column C). Then the Election Clerk deposits the voted ballot(s) in the appropriate ballot box(es), which causes the voters name to be announced and recorded as voted.

IMPORTANT: If any elector, after beginning to vote, asks for information regarding the marking of a ballot, the Election Clerks will give him or her any necessary information, instruction or assistance. (34-2427, I.C.)

Receiving the Voted Ballot

1. After voting the ballot(s), the elector must then present himself to the Clerk in charge of the ballot box(es) (i.e. Receiving Clerk) and state his name and residence address. (34-1107, I.C.)
2. The Receiving Clerk will locate the voter’s name and record that the voter has voted in either the second Poll Book or the List of Registered Voters.
 - a. If the voter has completed an Election Day Registration Card, enter the individual’s name and address along with the notation “election day registration” in either the second Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book or at the end of the List of Registered Voters.
 - 1) If the Election Day Registration Card was given to the Receiving Clerk, place the completed registration card in the Election Day Registration and Personal Identification Affidavit Envelope (EDR-3).
3. The elector has the option of depositing his or her ballot(s) into the ballot box(es) or allowing the Receiving Clerk to deposit the ballot(s).
 - a. **The Elector Deposits:**
 - 1) Punch Card Ballot:
 - a) The Receiving Clerk will instruct the elector on carefully removing the ballot stub from the ballot card without removing the ballot card from the grey secrecy envelope by folding the ballot stub back and forth across the perforation before tearing. This allows for easy separation of the ballot stub from the ballot card.
 - b) The Receiving Clerk will request that the elector show them the front of the grey secrecy envelope. This allows the Receiving Clerk to be certain that the

ballot card is in the pocket of the envelope.

- i) This is easily determined by looking at the bottom of the secrecy envelope where the flap is slashed.
- ii) If the card is not in the pocket, you will see the ballot card. Request that the elector insert the ballot card properly into the secrecy envelope.
- c) After removing the ballot stub from the ballot card and verifying that it is properly placed in the secrecy envelope, the elector will deposit the ballot card inside the secrecy sleeve into the ballot box.
- d) The elector will then hand the ballot stub to the Receiving Clerk.

2) Oval Ballots:

- a) The Receiving Clerk will instruct the elector on how to deposit the Oval Ballot(s) into the oval ballot box while retaining the secrecy sleeve.
 - i) The elector will insert the lower edge of the secrecy sleeve into the ballot box slot and allow the ballot(s) to slip into the ballot box.
- b) The elector will then deposit the ballot into the ballot box as instructed. The elector then returns the secrecy sleeve to the Receiving Clerk.

NOTE: The ballot stub on the Oval Ballot used in conjunction with the AutoMark is removed prior to issuing the Official Oval Ballot to the voter.

- i) The Voted Oval Ballot(s) is deposited into the Oval Ballot Box.

b. The Receiving Clerk Deposits

1) Punch Card Ballot:

- a) The elector will hand the voted ballot card, within the gray secrecy envelope, to the Receiving Clerk.
- b) The Receiving Clerk will be certain that the ballot card is in the pocket of the envelope.
 - i) This is easily determined by looking at the bottom of the secrecy envelope where the flap is slashed.
 - ii) If the card is not in the pocket, you will see the ballot card. Return the ballot card and secrecy envelope to the elector and request that they insert the ballot card properly into the secrecy envelope.
- c) The Receiving Clerk will carefully remove the ballot stub from the ballot card without removing the ballot card from the secrecy sleeve by folding the ballot stub back and forth across the perforation before tearing. This allows for easy separation of the ballot stub from the ballot card.
- d) The Receiving Clerk will then deposit the ballot card, within the secrecy sleeve, into the ballot box.

2) Oval Ballots:

- a) The elector will hand the voted Oval Ballot(s) within the secrecy sleeve to the Receiving Clerk.
 - b) The Receiving Clerk will deposit the Oval Ballot(s) into the oval ballot box by inserting the lower edge of the secrecy sleeve into the ballot box slot and allowing the ballot(s) to slip into the ballot box while retaining the secrecy sleeve.
 - i) The Voted Oval Ballot(s) is deposited into the Oval Ballot Box.
4. The Receiving Clerk will then announce the elector's name in a loud audible voice for all present to hear, especially any watchers or challengers. (34-1107, I.C.)
5. The Receiving Clerk places the ballot stub into the voted ballot stub envelope (EE-6) in sets of 25.

IMPORTANT: NEVER LEAVE THE BALLOT BOX(ES) UNATTENDED!

Receiving and Processing Absentee Ballots

(Only those counties where absentee ballots are sent to the polls.)

1. Between the opening and closing of the polls, the County Clerk or designee will deliver the Absentee Ballot Carrier Envelope (EA-13) (i.e. Carrier Envelope) containing Absentee Ballot Return Affidavit Envelopes (EA-12, EA-12F or EA-16) (i.e. Affidavit Envelopes) along with a list of voter's names as they appear on the Affidavit Envelopes.
2. Upon receipt of the Carrier Envelope, the Chief Judge will immediately open the Carrier Envelope and proceed to count the number of Affidavit Envelopes enclosed. The number of Affidavit Envelopes enclosed should match the number listed on the Judges Receipt for Absentee Ballots (EA-1).
 - a. If the number of Affidavit Envelopes matches the number listed on the Judges Receipt for Absentee Ballots, the Chief Judge and County Clerk or Designee will sign the Receipt. The Chief Judge and County Clerk or designee will each keep a copy of the signed receipt.
 - b. If the number of Affidavit Envelopes does not match the number listed on the Judges Receipt for Absentee Ballots, the Chief Judge and County Clerk or Designee must determine the discrepancy.
 - 1) It is suggested that one individual reads the names listed on the Affidavit Envelope while the other marks off the names on the list of voter's names that was included in the delivery of the Carrier Envelope.
 - 2) Upon locating the missing name or additional envelope, contact the County Clerk's Election Office and report the discrepancy. Then, correct the number of Affidavit Envelopes on the Judges Receipt for Absentee Ballots. The Chief Judge

and County Clerk or Designee will sign the Receipt. The Chief Judge and County Clerk or designee will each keep a copy of the signed receipt. The County Clerk or designee will correct the discrepancy and will either locate the missing Affidavit Envelope or add the additional envelope to the list of returned absentee ballots.

3. Upon signing the Judges Receipt for Absentee Ballots,
 - a. Give the Affidavit Envelopes to the Issuing Clerk.
 - b. The Poll Book Clerk will enter the number of absentee ballots received on Line 2c in the first column on the Ballot Accounting page (E-2B) just after the outside cover of the Poll Book (E-2A). See Ballot Accounting page on page 38.
4. For each Affidavit Envelope enclosed,
 - a. The Issuing Clerk will announce the elector's name appearing on the Affidavit Envelope.
 - b. The Poll Book Clerk will locate the elector's name in the Poll Book.
 - 1) If the voter has not voted at the election,
 - a) The Poll Book Clerk will write the voter's name in the "Signature of Voter" column as though the voter had been present and voted in person.
 - b) The Poll Book Clerk should initial next to the type of Absentee Ballot in the "Signature of Voter" column (34-1008, I.C.) See the Poll Book sheet on page 13, Line 286 and Line 288, Columns B & C.
 - 2) If the voter has already voted in the election,
 - a) The Issuing Clerk will write "Spoiled" and the reason across the back of the Affidavit Envelope and place the Affidavit Envelope in the Rejected Absentee Ballots Envelope (EA-14).
 - c. If the elector is a duly registered elector of the precinct and has not heretofore voted at the election, the Issuing Clerk will open the Affidavit Envelope and remove the Voted Ballot Envelope (EA-9).
 - d. The Voted Ballot Envelope should be handed to the Receiving Clerk.
 - 1) The Receiving Clerk will then announce the elector's name in a loud audible voice for all present to hear, especially any poll watchers or challengers. (34-1107, I.C.)
 - 2) The Receiving Clerk will then deposit the envelope(s) into the proper ballot box(es) and will locate the elector's name in the second Poll Book or List of Registered Voters and record that the voter has voted as though he had been present and voted in person.
 - 3) Stack the empty Affidavit Envelopes for return to the County Clerk.

Challenging Absentee Elector's Vote

1. An absentee ballot may be challenged in the same manner as other votes are challenged.
 - a. The Receiving Clerk and the Chief Judge have power and authority to determine the legality of such ballot.
 - b. If the challenge is sustained, the envelope containing the ballot of the elector will:
 - 1) Not be opened.
 - 2) The Receiving Clerk will write "Challenged" and the reason for the challenge across the back of the Affidavit Envelope.
 - 3) The Poll Book Clerk will make the notation "Challenged" in the Poll Book after the elector's name.
 - c. All absent elector's Affidavit Envelopes (EA-12, EA-12F or EA-16) which were rejected as aforementioned will be placed in Rejected Absentee Ballot Envelope (EA-14) and be returned to the County Clerk in the Return Supplies Envelope (EE-2). (34-1010, I.C.)
 - d. If an absent elector's envelope contains more than one (1) marked ballot of any one (1) kind, none of such ballots shall be counted. The Receiving Clerk shall make the notation "Spoiled" on the back of the ballots and the reason therefore then deposit them in the Spoiled Ballot Envelope (EE-5). (34-1009, I.C.)

VII – PUNCH CARD DEMONSTRATION

“Make Your Vote Count.”

Each voter should be greeted when arriving at the polling place and verified that they are in the correct location. If they are in the incorrect location, assist the voter by locating the correct polling place and directing them to it. If the voter is in the correct polling place, verify that they have one of the acceptable forms of ID prior to approaching the Poll Book Clerk. The acceptable forms of ID are listed below. If the voter has one of the acceptable forms of ID, they should be directed to the Poll Book Clerk. If the voter does not have one of the acceptable forms of ID, they should be given a Personal Identification Affidavit to complete attesting to their identity.

Acceptable forms of ID:

1. An Idaho driver's license or identification card
2. A U.S. passport or Federal photo identification card
3. A tribal photo identification card
4. A current student photo ID, issued by an Idaho high school or post secondary educational institution.

Here is suggested language for interacting with voters when they arrive at the polling place. Your assistance will prepare them to either show ID and sign the Poll Book or to register to vote.

Suggested Language for Greeters	If Yes	If No
Hello, welcome to <u>polling place name</u> . Is this your polling place?	Next Question	Let's find out where your polling place is. Assist the voter in locating their polling place by using the precinct map or street list.
Good. Are you registered?	Next Question	Direct the voter to the Election Day registration table.
Good. Do you have your photo ID with you today?	Next Question	You need to present acceptable photo ID or sign the Personal Identity Affidavit to vote in Idaho. On the affidavit you swear to your identity. Here is the affidavit for you to fill out while you are waiting. Please give it to the Clerk when you sign the Poll Book and you will be issued a ballot.
Good, you are all set. Please show your photo ID to the Clerk when you sign the Poll Book and then you will be issued a ballot.		

Also, prior to the voter approaching the Poll Book Clerk, each elector should be given a demonstration on voting procedures. The following instructions, with a demonstration of each point, should be followed:

Great attention should be given to the demonstration. Many electors will say that they already know how to use the voting device. Nonetheless, the demonstrator should make every effort to gain their attention and to show each elector how to punch the ballot card. The following instructions, with a demonstration of each point, should be followed:

“Let me show you how to vote on the voting device. We want to be sure that you understand how this voting device is used.”

“Insert the ballot card and place the slots over the red pins (demonstrate). You cannot punch the ballot card until the ballot card is in the correct position.”

Primary Election Only:

“You may only vote within one political party’s slate of candidates; and you may continue to vote the nonpartisan offices. You must restrict your voting to only one party. You may vote for not more than the number of candidates specified on the ballot label for each office nor more than one Yes/No response to each ballot question.”

All Other Elections, including the General Election:

“You may not vote for more than the number of candidates specified on the ballot label for each office nor more than one Yes/No response to each ballot question. You are not required to restrict your vote to any one party in the General Election.”

“Take the stylus, hold it vertical and punch THROUGH (demonstrate) the ballot card after the candidate of your choice.” (Here, actually have the voter take the stylus in hand and punch one or two positions.)

“BE SURE YOU PUNCH ALL THE WAY THROUGH THE CARD.”

“Notice the black spot, which shows that you have recorded a vote. After you have finished voting, withdraw the ballot card. It should look like this.”

(Hold up a ballot card for the voter to actually see the holes.)

“It is suggested that you check the back of your ballot for hanging chads. A chad is the small piece of ballot that should be removed if the ballot is punched completely through. If there are any of these attached to the back of your ballot either carefully remove them or place the ballot back into the voting device and repunch those votes.”

“You may also wish to check your ballot card after voting by comparing the number punched out with the numbers following each candidate or measure. If you are satisfied that you have correctly punched your ballot card, place it in the envelope like this (demonstrate) and take the ballot card and the envelope to the Clerk in charge of the ballot box who will remove the stub, deposit your ballot (card within envelope) in the box, and record that you have voted.”

“Please DO NOT USE PENCILS, PENS, or other instruments in punching the ballot card. ONLY THE STYLUS is to be used in punching.”

After completing the demonstration, mention that when the elector wishes to vote, for

someone whose name is not on the ballot labels or where there is no candidate shown on the ballot label for an office, he may do so by writing in the **office title, political party** (only in the primary is the political party required) and the **name of the individual** the elector wishes to vote for **on the gray ballot envelope**.
